1. The first part of the report
describes the general situation
of the country and the
state of the economy.
It also mentions the
main problems which
the government is facing.
The second part of the
report deals with the
social and cultural
aspects of the country.
It describes the
education system, the
health services, and the
cultural life of the
people. The third part
of the report discusses
the foreign relations of
the country. It mentions
the main international
organizations to which
the country belongs and
the role it plays in
the world. The fourth
part of the report
concludes with some
recommendations for
the future.
